# General information and practical arrangements for the Earth Observation in Epidemiology Workshop

ESRIN, 08-10 March 2006

## GENERAL INFORMATION ON VENUE

Frascati is a famous and popular town of the "Castelli Romani" (Roman castles) 20 km south of Rome. It is renowned for its beautiful villas and quality wines. The town originated in the first few centuries of our era around the ruins of Roman patrician villas. Its healthy climate and closeness to Rome has meant that Frascati has always been a centre of attraction for both Italian and foreign tourists.

## CLIMATE

March is the end of the winter season, and the temperature is generally around 10 °C and it can sometimes be windy. It is advisable to bring a warm rainproof coat and suitable shoes.

## HOTEL ACCOMMODATION IN THE FRASCATI AREA

A limited number of rooms have been blocked at several local hotels.

- [ [Hotel Colonna @ € 80.00 SINGLE BB : € 117.00 DOUBLE BB](#) ]
- [ [Hotel Flora @ € 105.00 SINGLE BB : € 140.00 DOUBLE BB](#) ]
- [ [Hotel V. Mercede @ € 62.00 SINGLE BB : € 85 DOUBLE BB](#) ].

We advise you to book your hotel via the conference local support. Please return the attached hotel reservation form by fax to the conference local support before [08 February 2006](#). After this date the hotel block booking will be released, and availability of any hotel room can no longer be guaranteed.

Please complete the attached form even if you prefer a different category of hotel and our conference local support will endeavour to satisfy your request. However, please note that the daily transport is guaranteed only for the pre-booked hotes.

Should you not require hotel accommodation, you should still confirm your attendance by fax to the conference local support so that you will be officially registered for the meeting and be able to gain access to the ESRIN site.
